CHURCH PLANTING MISSIONARIES IN LIMA, PERU
MAY, 2019

Hello from Lima! Thank you for taking the time to read our newsletter and for getting caught up on the work that is going on here in Lima.

In the month following our launch party for the new location of Mosaico and the Lima Legacy Center we have seen some great progress in the community. We have had several new families begin to attend our weekend services. Many of these families come from a completely unchurched background and we are seeing a steady increase in their growth. Please pray for these families that they can become assimilated into the Mosaico ecosystem as they grow and become more like Jesus. Please pray for the people that are close but have not yet accepted an invitation to come to Mosaico. There is still a lot of uncertainty about who we are but they are slowly beginning to accept us into the community.

Easter! We celebrated our first Easter celebration in our new location in VMT with a full house! We also were able to celebrate our first baptism of the year with 4 people following Jesus in believer's baptism. We used the opportunity to reach the neighborhood by placing a pool in front of the Legacy Center and having a public baptism! I also had the privilege of baptizing Cinco as he took the big step of publicly proclaiming their faith in Jesus!

The Legacy Center after-school program is growing! We are teaching character traits based in bible lessons. Mosaico KIDS is also growing! We are seeing families come to Mosaico because of their kid's involvement in the weekly activities of the Legacy Center.

Keagan is arriving for her second summer internship with us. We are super excited to have her join us in working in the Legacy Center and with Mosaico Kids. She currently is a junior at Liberty University and is studying Global Studies. Keagan feels that God has called her to be a missionary so she is taking every opportunity to serve overseas. Please for for her next 2 months as she serves here alongside us.

16 people have made decisions to follow Jesus in our new building! Please pray for these new disciples as they continue to make choices to be more like Jesus!

Furlough reminder! We will be stateside next year for the first stateside assignment in 6+ years and we would be honored to come and present the amazing ways that Jesus is working here in Lima! Email or Text us to get that scheduled!
