

Hello from Peru! As always, it is amazing that the year is going by so quickly. After a difficult summer, Mosaico has begun the fall well. We remembered Jesus' sacrifice on Good Friday and then celebrated His resurrection with a beach baptism service on Sunday. Although the Pacific Ocean turned our baptism into an Extreme Baptism, it ended up very successful. We had 6 people baptized and over 50 in attendance. Please pray for these new christians as they continue to grow and learn.

With school beginning in March, We have also begin our backpack distributions. So far we have distributed over 400 backpacks to both new and familiar locations, The reactions that we receive when we give these kids hope for a better future through a simple backpack always amazes me. We have seen several of these children accept Jesus as their savior. Every child that receives a backpack also receives a bible along with a clear gospel presentation. Please pray for these seeds to be fruitful!

We are excited to host a record number of interns this year! We are hosting a total of 5 interns who are sacrificing to come here to Peru and serve alongside us. We will be able to be able to show our ministry firsthand as well as some of the logistics and back office things that make up a missionary's life. This is a great way to have an honest look at what international missionaries do, the good, bad and in-between. Please pray for this group of interns as they are fundraising and prepping for their time here in Peru.

Mixed Teams

We are excited as well to offer two separate mixed trips to Peru. If you have thought about going on a missions trip but haven't been able to convince enough people to come with you, now is your opportunity. You can come and join other people from around the country that have the same heart of service as you do. These trips will be open to anyone interested and are all-inclusive, including airfare from either NYC, Miami or Houston. Message us for more details as the June trip is filling up fast!

For those that financially support our mission here, Thank you. We couldn't do this without you. To our new supporters, Welcome on board! We appreciate you and your confidence in our mission!

Stay Awesome,

Elmo, Kat, and Cinco Compton
